

SC-600 IW In-Wall Subwoofer

SubContractor® Series

"CUT, PLUG AND PLAY" CUSTOM INSTALLATION SUBWOOFERS

Features

- Easy install in retro fit or new construction, with integrated cabinet; just cut, plug and play
- New construction mud-ring is available as a place-holder
- Amazing deep, powerful, low distortion bass performance
- Minimum wall vibration via the unique triple vector design
- Low-profile design virtually disappears, fitting flush in a standard 2x4 wall
- Very reliable, with a strong 5-year parts and labor speaker warranty
